- approval of minutes from meeting of 10-16-2020

Student representative update? (Lee)(Is this really still on our agenda!)

Discussion: Proposed revision to the Academic Dishonesty report form (Lee)

Discussion of Miami University's Academic Dishonesty documents and presentation materials shared by David Wright and the connection between what Miami has been doing and the SAPC recommendations 12, 13, & 14 regarding designated office space and a point person to administer UD's Academic Dishonesty policy and process and to assist students with the appeals process

Questions:

- Connecting with Associate and Assistant Deans in all units? What do we want to do next with this?
- How are we going to make a case for moving forward? What means can we use to get faculty on board with change in this process?
- Course syllabi – must be complete and include required statements concerning the Honor Code and Pledge and Academic Dishonesty

Concluding Question: What are we prepared to present to ECAS and when shall we plan to do it?

Reminder of the SAPC recommendations from the 2019 report

- #1 concerns classroom desk space
- Of the 14 recommendations, #'s 2-7 relate to the form itself
- #'s 8-11 relate to inconsistency with the catalog information
- #'s 12 and 13 relate to a central office and a single point person
- #14 re/designating a point person to help students discuss accusations and appeals without fear
