## INSTRUCTIONS

The U.S. Department of Education has selected your 2025-2026 FAFSA for additional review, a process that requires us to verify certain data fields from your FAFSA. As a result, the University of Dayton is required to verify income for Independent Students who would file a tax return with a relevant tax authority other than the IRS, but did not file. This is required even for those with zero income.

Please use this form to upload electronic copies of all required documents. You must complete this request before we can finalize and apply financial aid to your student account. We encourage you to submit this form **within 30 days of receipt**.
