COME AND SEE-UD

SUMMER ENGINEERING EXPERIENCES AT THE UNIVERSITY OF DAYTON

DAY-LONG SUMMER CAMPS FOR RISING HIGH SCHOOL JUNIORS AND SENIORS

Participants will learn in depth about a specific discipline of engineering while striving to solve some of the most prominent problems our world faces today, called the Grand Challenges of Engineering.

Throughout this experience, participants will engage with University of Dayton faculty and students to learn more about engineering at UD through interactive modules and hands-on lab experiences.

JUNE 24 - CHOOSE ONE

- **Mechanical Engineering** (*energy, sustainability, mechanical systems*)
- **Chemical Engineering** (*food engineering, process engineering*)

JUNE 25 - ONE OPTION

- **Engineering Technology** (*sustainable manufacturing, process optimization*)

JUNE 26 - CHOOSE ONE

- **Electrical and Computer Engineering** (*bioengineering, analog wave applications*)
- **Civil Engineering** (*geotechnical, transportation, hydraulics*)

Parent/guardian programming is available each day!

Morning session: learn about the college admission process, UD engineering program, and supporting your engineering student.
Afternoon session: learn about campus partners that support our students' well being, academic success, professional preparation, sense of belonging and involvement at UD.

COST

\$35, lunch is included for students

TIME

9 a.m. - 4:30 p.m.

ADDITIONAL OPTIONAL OPPORTUNITIES

- Campus tour
- Women Engineering Program and Multi-Ethnic Engineers Program engagement and campus tour

CONTACT

Contact us at engineeringcamps@udayton.edu or 937-229-5082 if you have questions.

Note: Our experiences have changed from a multi-day residential camp to a one day experience for the summer of 2024. Overnight accommodations are not available.

Learn more and RSVP at go.udayton.edu/seeud.

Space is limited and spots fill fast!
