Today, you’ll learn more about the College of Arts and Sciences, speak with University of Dayton admission and financial aid counselors, and meet students and faculty. And if you’re not sure of your major yet, no problem — you can also attend a session on our Discover programs for undecided students.

You can also meet with a financial aid counselor during our walk-in session. Our counselors can answer questions about your individual financial situation or explain more about our transparent tuition plan — with no tuition increases and no fees — which we created to give your family peace of mind all four years.

UD is nationally recognized for providing exceptional value to students. It’s why The Princeton Review, Kiplinger’s and Money all rank us as a Best Value College. We’re happy to answer any questions you might have!
