General Questions

Where can we find the Flyer Guide- Next Steps for Incoming Students? It is mailed to students in cycles after they deposit. You can find a digital version of the information here: https://udayton.edu/my/flyer-guide.php

Is there an alternative way to join the schools app without belonging to Facebook? A participating college or university must invite you, and a Facebook account is required to login.

Are you going to be fully in person classes this fall? We are excited to share that we are planning for in person classes in the fall.

Does UD have recommendations for what type of laptop is best for each major? You can view requirements here: https://udayton.edu/udit/start/student-computer-requirement.php

Once classes start, is there a way for parents to see grades? FlyerView is a service that allows the student to grant permission to specific access to web views online of their University of Dayton records. Students have the power to choose if all or some of their records will be shared with each designee. https://udayton.edu/fss/your_resources/flyerview.php

Porches

Some porches items did not show as checked off after being done. Is there a delay on items being checked off? Sometimes there is a delay and we are actively looking into this issue. If the issue persists, please do not hesitate to reach out to us at admission@udayton.edu and we can take a deeper look.

Transcripts

When should we have their final HS transcripts sent? Students should have their final high school transcripts sent as soon as they are available and no later than July 1.

How should we send official high school transcripts? Electronic transcripts can be uploaded via Naviance or other portals. They also can be emailed at admission@udayton.edu.

First Year Course Preferences

Can students consult with their advisor prior to finalizing their course preferences? If so, when will advisors be assigned & communicated? Students will be notified of their academic advisor when they receive their preliminary course schedule. At that point, students can reach out and connect with their advisor if they have questions or if changes need to be made.

I took College Credit Plus courses at my high school. Do these credits transfer? AP/CCP transcripts should be sent directly to the university. Your Academic Dean’s office will evaluate your transcript for credits to be received at UD.

How do student change their major? Students wishing to change their major should email admission@udayton.edu.

I was accepted into the Honors Program in my letter of admission. How do I accept the Honors offer and when will I receive an update from Honors? You can go to porches.udayton.edu and to the To Do List. There will be an item on that list to accept it or decline being a part of the Honors Program. If you have any issues, email admission@udayton.edu.

Does everyone have to complete the math placement test? If so, is this on our Porches account? Not everyone is required to complete a math placement test. It is specific to certain majors. If you are expected to take the placement test, it will be displayed in the To Do list in Porches.

If my student has an IEP who should we contact? Please reach out to the Office of Learning Resources at 937.229.2066 for accommodations.
**Student Employment**

For more information:  https://udayton.edu/careerservices/studentemployment/index.php

If you accept employment does employment start as soon as school starts or is there the opportunity to begin second semester? We encourage students to go ahead and accept student employment and they can apply for jobs on campus when they are ready.

Can you decline student employment this year but then accept it another year? Absolutely. Each year, students will complete the process of accepting or declining financial aid.

**Housing and Residence Life**

How do we sign up for early drop off? Housing and Residence Life will send timely emails throughout the summer with instructions on how to sign up for early drop off.

What are the dates for move in? Move in will be August 18-19, your specific move in date and time will be shared in July.

What is an ILLC? Integrated Learning-Living Communities for more information please visit: https://udayton.edu/llc/index.php

Can students have car on campus freshman year? Bike on campus? First year students are not permitted to have cars on campus. However, there is bike storage available in first year residence halls.

Does the university provide guidance on what the student should bring with them in the fall such as PC, printer, dorm room items, etc.? Please see the following PDF for a list of what to bring. https://udayton.edu/studev/_resources/files/newstudentprograms/2020/what-to-bring_2.pdf

How many students are in the dorms? Dimensions?: https://udayton.edu/studev/housing/residential_facilities/index.php

**Loans and Scholarships**

Will federal direct loans be paid directly to the institution or paid out to the student? Federal direct loans are paid directly to the institution.

Where should outside scholarships be sent?  
Office of Student Accounts  
St. Mary's Hall 108  
300 College Park  
Dayton, OH 45469-1600

Please include: Student name, ID number, and whether the scholarship is renewable or annual.

Our financial aid offer mentions a federal parent plus loan. How do we go about exploring that option? You can explore the parent plus loan option as well as complete the application on studentaid.gov.

Is the $50 charge per semester or per year for the payment plan? The University of Dayton Payment Plan is an interest-free plan that allows semester charges to be paid in a series of monthly installments. There is a non-refundable $50 enrollment charge per semester (Fall and Spring terms only).

How do we apply 529B college savings to payment bills? You will need to work with your banking organization to have the funds sent over to Flyer Student Services in St. Mary's Hall 300 College Park Dayton, Ohio

**Text Book Scholarship**

How does the Textbook Scholarship work? Incoming students who make an official campus visit and file the FAFSA will receive the scholarship. Each semester, you will have $500 dollars on your account to use towards your textbooks.
