

## Flyer Classroom Cleaning Station Disinfectant Wipe Quick Refill Instructions

### To Refill an Empty Disinfectant Top Pack

1. Pull and lower the main metal cover housing to the right (see photographs below).
2. Throw out the empty top pack and replace with a new one from within the unit.
3. Close the cover.

Dispensing Unit Closed

Dispensing Unit with Lid Open

Scan the QR code to the right, using a smartphone camera or application, to view a quick video on replacing a disinfectant wipe pack.
