

## Kettering Health Network PA Shadowing

Kettering Health Network offers two different shadowing opportunities for students who are interested in shadowing a PA.

The first opportunity is through Kettering College PA program. Kettering College PA program offers the student a 4-hour observation with a PA, opportunities to shadow a PA in a more specialized field of medicine, and to attend one of their PA classes if you elect.

If emergency medicine is of interest to you, Kettering Health Network in conjunction with EM – Specialists offers the students the opportunity to observe a PA at Kettering Hospital, Sycamore Hospital, or Greene Memorial Hospital. These opportunities take place every Friday from 6:00pm – 10:00pm.

In order to participate in either of these PA shadowing opportunities, a Kettering Health Network Job Shadowing Application will need to be completed. You can download a copy of the shadowing application [HERE](#)

All shadowing applications are to be submitted KHN job shadowing email at [jobshadowing@ketteringhealth.org](mailto:jobshadowing@ketteringhealth.org) via fax 937-395-8004, or physically drop the application off to the HR department at Kettering Hospital.

### **Step one: Completion of Shadowing Application**
