<i>Motion-induced vomiting among classmates when someone Zooms while walking around</i>	<i>Obvious hangover</i>	<i>Bare skin in the frame; let's hope it was a thumb</i>	<i>Scrolling in gallery view trying to figure out who's talking</i>	<i>Tiny voice off-camera declares "I pooped" and whole class cheers</i>
<i>Crotch shot</i>	<i>Disappearing head against virtual background</i>	<i>Unmuted profanity</i>	<i>Screen-sharing disaster</i>	<i>Very private chat message accidentally sent to all</i>
<i>Video freeze with mouth hanging wide open</i>	<i>Audio and video wildly out of sync</i>	<b>FREE SPACE:</b> <i>Several people speak at once, then "Sorry, you go," followed by total silence</i>	<i>Zooming in PJs on unmade bed</i>	<i>No pants</i>
<i>"Your internet connection is unstable"</i>	<i>Vigorous self-grooming by dog in background</i>	<i>Camera resting on lap; only visible body part is nostrils</i>	<i>Screen name "Can't believe I'm paying tuition for this"</i>	<i>Instructor asks questions no one answers</i>
<i>Someone nods off</i>	<i>Two eyeballs stare in total darkness</i>	<i>Ceiling fan in background looks like propeller on the head</i>	<i>Someone disappears for a while, returns in different clothes</i>	<i>"That was brutal" into unmuted mic before leaving the meeting</i>
