Special Projects

Federal Bureau of Investigation (FBI) Citizens Academy (October-November, 2021)
Invited to serve as the first Mental Health Advisor for the Joint Terrorism Task Force for the Southern Ohio District. Work closely with the JTTF on presentations and direct help with mental health issues that arise. Vetted for a Secret security clearance.

Interprofessional Education Consortium (February, April, October, 2019-present). Collaborate with colleagues at several institutions (University of Dayton, Wright State University, Cedarville University, Miami University, Sinclair Community College) to create an interprofessional learning experience for students in the following disciplines: Clinical Mental Health Counseling, Doctor of Physical Therapy, Physicians Assistant, Dietetics, Social Work, Nursing, Medical, Radiology, Doctor of Pharmacy, and Public Health. Students learned about the various disciplines by working in teams on a case study and developing a treatment plan based on their deliberations. Each team then presented their approach to a panel of faculty for feedback.

Hall, S., Brayler, J., & Hemmert, L. (2017). Developed a three semester hour course sequence on interprofessional education and integrative healthcare. The sequence will be part of a certificate for professionals and advanced graduate students.

Hall, S. & Pasquinilli, M. (2005). Mad River Local Schools, Dayton, Ohio. Implemented a 6-week intervention on behavior modification with at risk students using physical conditioning through martial arts. Services included a three-hour workshop to 120 teachers and administrators in the Mad River district.

Pasquinilli, M. & **Hall, S.** (2005). West Carrollton City Schools, West Carrollton, Ohio. Implemented an 8 week intervention on behavior coaching in the classroom to 35 teachers and administrators. Services included lectures, classroom observations, and one on one instruction.

Hall, S. (1999) Initiated a team with the departments of Psychology and Education at the University of Sarajevo to discuss the current mental health services in the community and schools in the Canton of Sarajevo, Bosnia-Herzegovina. Research was funded and findings were published in the national Bosnia-Herzegovina education journal *Porodica i dijete*.
