Dr. Jennifer Dalton DCN, RDN, LD
Director of Dietetics and Nutrition Programs & Associate Clinical Professor
Department of Health and Sport Science
University of Dayton

EDUCATION

Doctor of Clinical Nutrition (DCN) **2019**
Rutgers University, Newark, NJ
Dissertation title: Transitioning the eating experience in survivors of head and neck cancer.

Master of Science in Nutrition **1999**
University of New Haven, West Haven, CT

Bachelor of Science in Human Ecology (Dietetics) **1992**
The Ohio State University, Columbus, OH

POSTGRADUATE TRAINING

Integrative and Functional Nutrition Clinical Residency **2018**
Rutgers University, Newark, NJ

Supervised Practice: Dietetic Internship **1993-1994**
National Health Corp, L.P., Murfreesboro, TN

LICENSURE/CREDENTIALS

Registered Dietitian Nutritionist (804953)
1994- present

Commission of Dietetic Registration
Licensed Dietitian (6091)
2007-present

State Medical Board of Ohio

CERTIFICATIONS

Culinary Nutrition
2019

- *The Academy of Nutrition and Dietetics*

ServeSafe Allergens (#3994692)
2019

  Ohio Academy of Nutrition and Dietetics
- SEHS Dean's Outstanding Achievement Award (2013)

PROFESSIONAL EXPERIENCE

Administrative Experience

Director, Dietetics and Nutrition Program (DPD, MDN) 2011- present
University of Dayton
Department of Health and Sport Sciences

Faculty Experience

Associate Clinical Faculty 2011-present
Department of Health and Sport Sciences-Dietetics
University of Dayton

Adjunct Instructor 2011
Department of Health and Sport Sciences-Dietetics
University of Dayton

Adjunct Instructor 2004-2007
Department of Health, Environmental, Natural and Physical Sciences
Pikes Peak Community College
Colorado Springs, CO

Clinical/Practitioner Experience

Clinical Registered Dietitian- Integrative and Functional Nutrition 2018-2019
Nash Integrative Clinic, Tipp City, OH

Corporate & Community Registered Dietitian & Media Spokesperson 2008-2012
Kettering Health Network, Kettering, OH

Clinical Registered Dietitian- Outpatient, Inpatient, ICU, Dialysis 2009-2011
Wright-Patterson Medical Center, Dayton, OH

Clinical Registered Dietitian- Outpatient, Inpatient, ICU, Beh.Psych 2007-2008
Greene Memorial Hospital, Xenia, OH

Consulting Registered Dietitian- Military readiness 1997-1998
Vandenberg Health and Wellness Center, Vandenberg AFB, CA

Clinical Registered Dietitian-ICU, Oncology, Transitional Care, Rehab 1994-1995
Montana Deaconess Hospital, Columbus Hospital, Great Falls, MT

Clinical Registered Dietitian- Long Term Care 1994-1995
Missouri River Manor Nursing Home, Great Falls, MT

Consulting Registered Dietitian- Eating Disorders 1994-1995
Rocky Mountain Treatment Center, Great Falls, MT

TEACHING and ADVISING

COURSES

Courses Taught

University of Dayton, 2011-present

1. HSS 494 Assessment of Nutrition Status 2016-present, Spring semester
    - Developed course and obtained curriculum approval, 2016.
    - Revision to course spring 2021
    - Teaching Fellows (2017)
    - Peer Review Spring 2023- Michelle Cox RN, Director of Nursing
2. HSS 495 Medical Nutrition Therapy I 2011- present, Fall semester.
    - Chair review, Fall 2022- Diana Cuy Castellanos PhD, RDN, LD
3. HSS 496 Medical Nutrition Therapy II 2015- present, Spring semester
    - Developed course and obtained curriculum approval, 2014.
    - Peer Review Spring 2023- Sabrina Neeley PhD, Associate Dean Health Sciences
4. HSS 439 Professional Seminar 2011- present, Fall semester.
    - Revised course, Common Academic Program Capstone course, approved 2019
    - Integrated innovative mentoring and vocation discernment model aligning with university Vocation initiatives.
    - Recognized as a distinctive program feature and strength by ACEND review team in Fall 2022
    - Recognized by the University Assessment Committee as “Thoughtful and Transformative Assessment Practice”.
    - Peer Reviewed by University VIT Co-Chair Steve Wilhoit, PhD (Fall 2021)
5. HSS 534 Integrative and Functional Nutrition 2019- present, summer session 2
    - Developed course and obtained curriculum approval, 2018.
    - E-Learning Fellows course- 2018
    - Evaluated and peer reviewed by E-Learning staff (Julianne Morgan) for content and online delivery- updated, Summer 2022
6. HSS 595 MDN Capstone 2023-present, fall semester.
    - Co-taught; supported development of course for MDN students.
7. HSS 545 Advanced Clinical Nutrition 2019-2022, fall semester.
    - Developed course and obtained curriculum approval, 2018.
    - Peer Reviewed SEHS Assoc. Dean of Health Sciences Sabrina Neeley, PhD (Fall 2021)
    - Evaluated and reviewed by E-Learning staff (Julianne Morgan)- updated Fall 2022
8. HSS 456 Nutritional Biochemistry II 2022, Spring semester
9. HSS 210 Introduction to Food Science 2011-2018, Fall semesters.
    - Peer Review Fall 2018
10. HSS 295 Nutrition and Health 2011- 2016, Fall or Spring semester.
    - Developed proposal and sought approval as Common Academic Program course for Integrative, approved in 2015.
    - Supervised 3+ adjunct faculty teaching online & in person (2016-2019)
    - Successful CAP review, approved 2019
11. HSS 402 Nutrition for Adult and Aging 2013, Spring semester
12. HSS 302 Community Nutrition 2011, Spring semester

Course Development and Oversight

1. HSS 113 Introduction to Dietetics (2013-present)
    - Revised course and integrated vocation and mentoring model pairing course with HSS 439 Professional Seminar
2. HSS 210 Introduction to Foods (2011- present)
3. HSS 210 L Introduction to Foods Lab (2011- present)
4. HSS 303 Food Service Management
    - Led recruitment and hiring of adjunct faculty, coordinate development of course with profession experts; Revised course, 2018.
5. HSS 304 Institutional Quantity Foods
    - Led recruitment and hiring of adjunct faculty, coordinate development of course with profession experts; Revised course, 2023.
6. HSS 309 Counseling Techniques for Health-Related Behavior Change
    - Led the collaborative development of this course with faculty from Community Health and Dietetics from proposal to approval, Sp 2022.
7. HSS 587 Advanced Food Science, Management and Sustainability
    - Led recruitment and hiring of adjunct faculty, coordinate development of course with profession experts; Revised course, 2018.
    - Onboard new adjunct in 2023; updated and revised course with new faculty; trained on using Isidore.
8. Evaluate all dietetic courses for alignment with ACEND accreditation standards (HSS 113, HSS 210, 210L, 303, 304, 302, 309, 395, 439, 495, 496, 439, 401, 456) and graduate partnered program requirements (534, 566, 587, 545). Includes updating rubrics in Anthology Portfolio
    a. Curriculum review and updates 2012, 2017, 2022 ACEND Standards adoption (undergraduate program)
    b. Yearly program review with Premier Health DI program based on SET and end of program survey feedback (partnered MDN DI program)

Interprofessional Education

Integrative Culinary Medicine Program (2017 to 2022)

- Developed and implemented interprofessional education curriculum.
- Provided education to 300+ medical residents (Grandview Hospital) and UD dietetic undergraduate and graduate students over five years.

Integrative Nutrition Seminar provided to EDC Integrative Certificate program students (2017-2022)

- Developed Integrative Nutrition seminar course to support EDC graduate Integrative Health certificate curriculum.
- Provided education to 90+ EDC graduate students over three summers.

STUDENT ADVISING & MENTORING

Academic Advising & Internship Advising/Matching-spring undergraduate

2011-2012 55 undergraduate, 14 internship advising & matching
2012-2013 84 undergraduate, 14 internship advising & matching
2013-2014 69 undergraduate, 1 verification statement pre adm; 15 internship advising & matching
2014-2015 42 undergraduate, 2 SCC DTR; 15 internship advising & matching
2015-2016 50 undergraduates, 2 DTR SCC; 14 internship advising & matching
2016-2017 37 undergraduates, 3 DTR SCC; 16 internship advising & matching
2017-2018 31 undergraduates, 3 DTR SCC; 12 internship advising & matching
2018-2019 33undergraduates, 2 DTR SCC; 14 internship advising & matching
2019-2020 29 undergraduates, 7 graduates, 2 non-traditional entry; 10 internship advising & matching

2020-2021 22 undergraduates, 6 graduates, 1 DTR SCC, 1 UDSA, 3 pre-transfer advising; 12 internship advising & matching
2021-2022 24 undergraduates, 12 graduates, 1 UDSA; 2 external transfers (verification statement-1); 10 internship advising & matching
2022-2023 27 undergraduates, 18 graduates, 1 UDSA, 2 verification statements; 3 external transfers; 10 internship advising & matching
2023-2024 32 undergraduates, 12 graduates, 1- SCC DTR, 1-external transfer, 1-verification statement; 14 internship advising & matching

Research Advising
Chaired Graduate Research Committee
Ongoing (2)

1. Madeline Kidd (MDN): Fa 2024
    a. Celiac Disease, Dietary Patterns and Diet Quality Supportive of Microbiome
2. Amy Fourman (MDN): Fa 2024
    a. Celiac Disease Dietary Patterns, Diet Quality and Risk for Chronic Disease

Completed (14)

1. Anna Fiessinger (MDN): Fa 2023
    a. Mentoring and developing a mentoring mindset in dietetics
2. Elizabeth Bockler (MDN): Fall 2023
    a. Vocational discernment in undergraduate dietetics program and professional identity
3. Nicole Palmeri (EHA)
    a. UG Honors Research
4. Ashley Wolf (MDN): Fall 2023
    a. IPE and community screenings (pre-submission revisions anticipate Feb submission)
5. Sophia Osburg (MDN): Fall 2023
    a. "Theory of Planned Behavior in assessing behavior change after participating in community screening event."
6. Caroline Grannan (MDN): Fall 2022
    "Effects of an affordable culinary medicine program on Mediterranean diet knowledge, nutrition information self-efficacy in healthcare professionals, trainees, and students: A quasi-experimental design"
7. Addy Nichols (MDN): Fall 2022
    "Effects of an affordable culinary medicine program role based efficacy in healthcare professionals, trainees, and students:A quasi-experimental design"
8. Kathleen Curran (MDN): Fall 2022
    "NFPE in malnutrition diagnosis and documentation".
9. Madalynn Eads (MDN): Fall 2022
    "Soybean based lipids relationship to hospital outcomes"
10. Marianne Brown (MDN): Fall 2021
    "Eating experience in adults post bariatric surgery"
11. Ryan Wells (MDN): Fall 2021
    "The effect of medical nutrition therapy on nutritional and diabetes outcomes post-bariatric surgery."
12. Emilee Pfiefer (MDN): Fall 2021
    "Identification of malnutrition using ASPEN/AND consensus guidelines and GLIM criteria."
13. Michelle Moser (MDN): Fall 2020
    "Perceptions and attitudes related to performing NFPE"
14. Gabrielle Palmeri (MDN): Fall 2020

"Breastmilk Promotion Strategies in the NICU: Employing the Theory of Planned Behavior to Determine Breastfeeding Continuation of Preterm Infants Post-Discharge."

Research Committee Member (Graduate)

Completed (6)

1. Geremy Kerr (MDN): anticipated Dec 2024
    a. E-sport advertisement and nutrition knowledge impact
2. Alana Alexander (MDN): December 2023
    a. Enteral nutrition and head and neck cancer
3. Liz Deal (MDN): December 2023
    a. Enteral nutrition and nutrition impact symtoms in HNC
4. Juliana Ferrare (MDN): December 2023
    a. Dietary Adjustment in International Collegiate Atheletes (pre-submission revisions)
5. Rebecca Gonter Dray (EdD): December 2023
    a. "Influencers in the development of cultural competence and cultural humility for the undergraduate dietetic student."
6. Deanna Wagner (PhD): May 2023
    a. "Poverty of Experience and Relationship: Exploring Sense of Belonging during COVID-19 through a Third Space Framework." *Doctor of Philosophy in Educational Leadership.*
7. Katherine Ochs (MDN): Fall 2022
    a. "Impacts of video gaming on dietary intake, BMI in adults"

PROFESSIONAL PRACTICE/DEVELOPMENT/RESEARCH

PROFESSIONAL PRACTICE AREA: DIETETICS ADMINISTRATION

ACEND Accredited Program- undergraduate on program in dietetics

Internship Match Rate: 100% since 2016 (57-67% National match rate)
RDN Pass Rate: 98% (87% National pass rate)
Employment Rate: 100% within four months of earning the RDN credential.

- Successful reaccreditation (2014, 2022)
    - Primary author and coordinator of the self-study report for two successful re-accreditation cycles (2013, 2021)
    - Coordinated and led the on-site and virtual re-accreditation visit (2013, 2021)
    - Development of Isidore Virtual Site Review platform -created efficiencies and streamlined virtual site visit to include virtual tours, Zoom rooms with key stakeholders, access to efficient online student and program document review and course review platforms to include recorded courses within Isidore (2021)
    - Strengths identified by accreditation reviewers:
        - highly engage alumni supporting program teaching, mentoring, and vocation discernment of undergraduate students, development of best practices for mentoring and interprofessional education.
        - hiring of highly qualified faculty who are experts in their areas of practice, collaborative, innovative and engaged at all levels.
        - diverse experiential learning opportunities to bolster professional development.
        - high quality, engaged dietetics students and alumni.
- Enhanced access to undergraduate dietetics degree and/or verification statement (part of diversity initiatives)
    - Developed UDSA AS Dietetics Pathway, UDSA DTR Pathway (2018, 2022)

- Marketing through management of website design and updates

Masters of Dietetics and Nutrition partnered Premier Health Dietetic Internship
RDN Pass Rate: 100% (87% National pass rate)
Employment Rate: 100% within six weeks of earning the RDN credential.

- Developed, proposed, and obtained approval for Advanced Practice in Dietetics and Nutrition Certificate (2023).
- Developed and oversaw the proposal for the graduate program receiving approval Department, Unit, University, State, HLC, and ACEND levels (2018).
- Negotiated and led development first exclusive UD partnership with Premier Health through successful negotiation and MOU development (2018).
- Led development and proposal of five graduate courses, approved (2018).
- Oversee and manage website, admission, application review, and marketing and recruiting for the partnered program.

Recruitment
2022 (February 20th) University Admitted Student Recruitment Event Pittsburgh, PA (25 attendees)

- Invited by Enrollment Management to present on vocation and Characteristics of Marianist Education to perspective high school students in Pennsylvania.

2021 Marketing video: Living Out Vocation at UD
2019-present MDN: Fall Virtual Open Houses (6), Spring Open Houses (3), External prospective 1:1 meeting (24)
2017-2020, 2021-2023 Undergraduate- HSS

- Fall Open House (5), Admitted Student Events (3), prospective 1:1 meeting (75)

2019 (January 9) Presentation to UD Admissions Counselors (19) on new UD MDN Premier DI partnered program and talking points for recruiting to the undergraduate program and partnered program.

PROFESSIONAL DEVELOPMENT

Clinical/Professional Practice/Scholarship
Clinical Practice
(75 CEU/5 yrs required for the 2020-2025 CEU Cycle)

- Media Certification (60-CEU)- completion Feb 24

- Cochrane Systematic Review Standard Author Training (Invited, selected 1/27)- 18 CEU (2023)
    a. To support the start of a new nutrition group within Cochrane Library
- American Society of Parenteral and Nutrition (ASPEN) Conference- 12 CEU (2023)
- Integrative and Functional Nutrition Course-50 CEU (2022-2023)
- Eating Recovery Conference on Eating Disorders and Pathlight Conference on Mental Health- 10 CEU (2022), Virtual
- ACEND Program Reviewer Training (2020- 8 CEU; 2021, 2022, 2023-DEI- total 3 CEU)
- 21st Century Leadership Skills for the Second Century RDN-1 CEU (2021)
- National Institute of Health: Office of Dietary Supplement Mary Frances Picciano Dietary Supplement Research Practicum (2019), Bethesda, Maryland
    - Selected 1/100 nationally to participate in three-day research practicum to integrate topics and research into curriculum and clinical practice.
- Institute of Functional Medicine; Integrative Gastroenterology Celiac Preceptorship (2012) University of Chicago, Chicago, IL
    - Selected 1 of 30 nationally to participate in advanced training for medical and nutrition management and research related to Celiac disease and gluten intolerance
- Nutrition in Functional Medicine, Institute of Functional Medicine (2012)
  Denver, CO
    - Applied concept of functional nutrition medicine in clinical nutrition to include training in physical assessment and functional care model
- Group Lifestyle Balance Training, Diabetes Prevention Program
  Pittsburgh, PA
    - Selected 1/12 nationally to participate in Train the Trainer program
    - Trained to provide Group Lifestyle Balance training to Air Force medical staff Air Force wide
- Well coaching Training, American College Sports Medicine (2009)
- Group Lifestyle Balance Training, Diabetes Prevention Program
  Pittsburgh, PA
    - Trained on Group Lifestyle Balance program to implement program to Wright-Patterson AFB active duty, dependents, and retirees
    - Developed innovative multidisciplinary model for implementing GLB within military treatment facility- reduced attrition rate and improved patient outcomes for weight loss and diabetes prevention
