

**University
of Dayton**

Dear BSN Applicant,

We are excited about your interest in the Bachelor of Science in Nursing (BSN) program at the University of Dayton! The TEAS test is an admission requirement for the BSN program. To be considered for admission to the University of Dayton nursing program, students must receive a proficient rating or higher in each area of the exam (Reading 69%, Math 63%, Science 45% and English 60%) to be eligible for the BSN Pathway program.

The TEAS webpage is located at: <https://www.atitesting.com/teas> The following link includes free review information as well as a practice TEAS test: <http://www.mometrix.com/academy/teas-test/>. Enclosed in this packet you will find directions to set up your account with ATI to take the TEAS and navigate their webpage. A potential applicant cannot be considered for BSN admission review until TEAS test results are received. The University of Dayton Nursing program will receive the results automatically.

It is important to “prepare” prior to taking the ATI, TEAS assessment. Students will have **three attempts**, after which they will not be eligible for UD Nursing. When you register to take the TEAS your registration includes one transcript that will be automatically sent to U of Dayton BSN. ATI tracks your number of attempts, not sending UD an initial transcript does not mean it will not count, the attempt will still be calculated as an attempt. See ATI, TEAS registration and testing information below. The test will need repeated to replace any score below proficient. All scores at or above proficient carry forward. Please prepare, the ATI study manual is very reasonably priced.

Please let me know if you have further questions.

Kind regards,

Michelle Cox

Michelle Cox, DNP, RN
Director of Nursing
University of Dayton

Preparing for the ATI TEAS Version 7

You will have three attempts to pass the TEAS test for consideration to the UD BSN program. Follow the prompts below to access the ATI, TEAS test resources:
