

MASTER
THESIS DEFENSE REPORT

Student Name: _____ Student ID No. _____

Major Field of Study: _____ Date: _____

The thesis must be based on the student's own work. Joint authorship is not permitted. The thesis adviser is responsible for supervising and approving the work, assisting in forming the thesis committee and scheduling a defense. The thesis adviser may or may not be the academic adviser. The thesis defense may be either oral or written or both. The thesis must be presented to and approved by a committee of at least three members, at least two of whom are on the graduate faculty. The committee must receive the thesis at least one week prior to an oral defense. No student shall be allowed to defend the thesis more than twice. A pass/fail grade will be assigned to the quality of the work. A final approved copy of the thesis is due in the School of Engineering Office of the Dean no later than one week before graduation. (Excerpted from the current graduate catalog)

Indication of decision is by signature and checking the Pass or Fail box:

Advisory Committee Chair Name: Pass Fail

Committee Member Name: Pass Fail

Committee Member Name: Pass Fail

Committee Member Name: Pass Fail

Committee Member Name: Pass Fail

Committee Member Name: Pass Fail

The above signatures represent the final decision of the Advisory Committee and indicate its approval for awarding the master's degree if the decision is to pass.

Please return this signed report to the associate dean's office.
