Engineering**

# Proposal Writing Workshop

**Feb 22 & 23 2019 (Fri & Sat)**

**Andrew Sarangan**

*This workshop is for graduate students preparing a summer research proposal (GSSF), but others are also welcome to attend.*

This is a 2-day workshop. Attendance on both days is required.

Feb 22 (Friday): 3:00pm – 4:30pm (coffee and snacks available)

Feb 23 (Saturday): 12:00pm – 2:00pm (includes lunch)

Room: FH 580

You will learn

- how to structure your proposal
- how to write to different audiences
- ethics and conflict of interests
- how proposals are review

Each participant will write a short proposal as homework and have it reviewed by peers.
