BECOME PART OF THE SOCIETY OF WOMEN ENGINEERS

SWENext is a way to become part of the Society of Women Engineers as a student up to the age of 18. Become part of SWE and #BeThatEngineer! Joining is free.

Who can be a SWENexter?

Any girl 13 or older may join SWENext. For those younger than 13, a parent will need to be the primary contact. We also encourage parents to join regardless of the age of their daughter.
