FALL 2020 SPECIAL ENGINEERING EVENTS

AN EVENING WITH DAYTON ENGINEERING
Join our engineering dean, faculty, staff, students, and representatives from Admission and Financial Aid in one of these webinars. Learn about UD engineering, the admission process and participate in a Q&A session.

- October 13
- November 2
- December 10

EXPLORE ENGINEERING
Saturday, November 14. Spend the afternoon taking a virtual deep-dive into the field of engineering. Our dean will provide an overview of engineering, and then, you will choose two engineering disciplines to explore in-depth with our faculty. UD engineering students will guide you through the experience!

UD ENGINEERING, BEYOND THE CLASSROOM
Experiences outside the classroom are just as important for learning and personal development. Join our faculty, staff and students as we virtually explore several of those experiences.

- October 8, Co-op Opportunities in Engineering
- October 22, I’m an Engineer and . . . A look at the many activities and interests of our engineering students
- October 27, ETHOS: Engineers in Technical Humanitarian Opportunities of Service Learning
- November 17, Minority Engineering Program
- November 19, Women Engineering Program
- December 3, Engineering that Matters: Engineering at a Catholic, Marianist Institution

VIRTUAL ACADEMIC VISITS
We offer several virtual academic visit opportunities each week where you can interact with faculty and students in our engineering departments.

UNIVERSITY VIRTUAL OPEN HOUSE
Let us introduce our family to your family! Learn about admission and financial aid, hear from the deans, meet with professors and students, discover the benefits of the honors program and take a virtual tour.

- September 27
- October 18
