Name _____ Student ID# _____
Last First MI

Please initial each statement:

- _____ I am required to submit my Certificate of Eligibility to the University of Dayton (UD)
- _____ I may still have out-of-pocket expenses. I am required to pay the remaining portion of tuition and fees not covered by the VA by posted payment deadlines.
- _____ VA will pay tuition and fees directly to UD. If eligible for the book stipend and housing allowance, this will be paid directly to me.
- _____ I am required to sign up for certification each semester via the provided online form, in order to certify my enrollment.
- _____ All courses I register for must be required for my program of study or elective requirements. I will be responsible for any tuition and fees for any course not applicable toward my degree program. If I am not sure whether a course will meet a degree or elective requirement, it is my responsibility to work with my academic advisor before registering for the course.
- _____ I may retake a course and receive funding for it if I failed the course with a grade of F. VA benefits will not cover a retake of a course with a grade of D or higher unless my degree requires a higher grade.
- _____ I am required to notify this office and complete [VA Form 22-1995](#) if I change my program of study. My certification status will be considered inaccurate until completed.
- _____ I am required to notify this office any time I add or drop courses. Failure to do so will result in incorrect payment and/or a debt to the VA.
- _____ The following grades and academic status can impact my benefits:
 - U – Unsatisfactory; no credit awarded
 - NC – No credit awarded
 - I – Incomplete
 - N – No grade reported
 - W - Withdrawal
 - X – Audit; no credit awarded
 - No Progress
 - Academic Probation
 - Academic Dismissal
- _____ If I receive one of the above grades without mitigating circumstances, my education benefits can be terminated/reduced effective the first day of class. The Office of Student Accounts will be required to refund all tuition and fee payments to the VA. This action will create an outstanding debt to the University of Dayton. I am responsible for re-paying tuition and fees to the university. Failure to do so will result in a hold on my account that may stop future registration, and my account may be referred to collections. All costs, expenses, late fees, and attorney fees related to the collection of my debt will be charged to me.
- _____ Withdrawing from courses after tuition and fees have been paid is considered an overpayment by VA. Overpayments will be charged to me through Debt Notification by VA. If I do not attend courses, but fail to officially withdraw, I will be responsible for reimbursing tuition and fees to the University of Dayton.
