Veteran and Military Advocacy Group

The VMAG is a UD Law School student organization. Our mission is to help support area veterans and veteran organizations.

Student Veterans Association

The SVA is UD's local independent chapter of the national Student Veterans of America. We are a social and service organization, linking UD's student veterans, current service members, and families. SVA sends our members on service oriented trips, supports local veteran organizations, and provides opportunities for veteran students to connect on and off campus.

About MVPS

Mission Statement

“Our mission is to make the University of Dayton a top choice for veteran and military affiliated students. Through enhanced access to programs and services, we are committed to linking this diverse community’s leadership and service experiences with learning and scholarship from the undergraduate to the doctoral levels.”

Office Description

MVPS exists to serve the UD military and veteran community. This community is made up of those who currently or have previously served in the Armed Forces of the United States and their families. Responsibilities include veteran transition to higher education, support to students who balance their education with ongoing military duty, enrollment and retention, benefits advising, and community outreach. MVPS is the “First Stop Shop” for all UD military and veteran community members.
