

How to Locate a Medical Provider on Anthem's Website

1. Go to www.anthem.com
2. Click on Find a Doctor
3. Enter the desired information
4. Click Search
5. You can further modify your search after the results appear.
 - Further modifications can be done as well to select PPO (Active employees and Retirees under 65) or HMO (Graduate Assistants) networks to be sure that the provider is in your plan.
 - You may also call your provider's office to confirm participation in the proper network.
