UD is a Federal Contractor – UD is a Mandatory Participant in the E-Verify Program

A presidential Executive order and subsequent Federal Acquisition Regulation (FAR) rule requires federal contractors to use E-Verify to electronically verify the employment eligibility of employees working under covered federal contracts. The order and the rule reinforce Federal government policy that the Federal government does business only with organizations that have a legal workforce.

E-Verify employers verify the identity and employment eligibility of newly hired employees by electronically matching information provided by employees on the Form I-9, Employment Eligibility Verification, against records available to the Social Security Administration (SSA) and the Department of Homeland Security (DHS).

*Please see the List of Acceptable Documents on the last page of this document that will help you choose what you will present for Section 2*

NO UD Employee May Tell You What to Present

If you have any questions at any time, please contact us at HR@udayton.edu or by calling 937-229-2541.
