Scheduling Online Academic Coaching through the Student Success Network (SSN)
Overview

Academic Coaching is now available online by appointment only. Students must now use the Student Success Network (SSN) to search Coaches’ availability and to schedule appointments.

**Reminders:**

- Availability is limited and offered on a first-come-first-served basis.
- Appointments must be scheduled at least 24 hours in advance. No same day appointments are allowed.
- Only schedule one appointment. A future appointment can be scheduled after your next meeting.
- You are responsible for bringing and providing resources and materials for your Coach to direct you to during your appointments.

Student Success Network (SSN)
Overview and Instructions
Overview

The Student Success Network (SSN) allows more communication between students, faculty, and staff. The system can synthesize the data below to help faculty and staff better support you:

- Class attendance, participation, and engagement
- Grades
- Office visits (and now Academic Coaching visits!)
- Kudos (Great Job!)
- Flags (various concerns)
- Referrals to various offices and professionals

Your activity in the system helps us better support your success!

Overview

The University of Dayton is a Google campus, meaning communication, scheduling, and document storage is completed through apps in the Google Suite.

Reminders:

• Your UD email account is the primary method used for communicating confirmations and changes with your SSN appointments.
• Event invitations will be sent to your UD Google Calendar to remind you that you have Academic Coaching scheduled. You must click “Accept” for these invitations or it may cause your appointment slot to get double booked.
• Altering the Google Event in any way may cause you to accidentally cancel your appointment. Therefore, use email to communicate changes.

Web-Based Zoom Meetings
Overview and Instructions
Overview

Zoom is the primary platform used to host online Coaching sessions. You should ensure you are equipped with audio and video conferencing tools via your laptop or phone.

Reminders:

- Online meetings take more time to cover less material, so please focus on your main challenge or obstacle.
- Wait until your scheduled time to join your Zoom meeting. Entering the room early may interrupt sessions already taking place.
- Ensure you’re alone in a quite space (if possible) so that background noises do not hinder your Coach from understanding you.
- Due to FERPA, you should aim to keep your sessions as private as possible and not allowing others to join in. Click to learn about FERPA>>

Contact learningresources@udayton.edu for questions, comments, or concerns.
Accessing the Zoom Link via Email

1. Log in to your UD email.
2. Find your confirmation email from success@udayton.edu.
3. Open the email message.
4. Click the Zoom link.

**Warning:**
Wait until your appointment is scheduled to begin before clicking your Zoom link to avoid interrupting session already in session.

Contact learningresources@udayton.edu for questions, comments, or concerns.
Joining the Zoom Meeting

Option 1: Open in Zoom App
Click “Open Zoom” or “download & run Zoom” to access Zoom outside your browser.

Option 2: Open in Browser
Click “join from your browser” if you do not want to download the Zoom app to your computer.

Contact learningresources@udayton.edu for questions, comments, or concerns.
Configuring Your Zoom Video

1. Click “Join with Video” when prompted.
2. Click Start or Stop Video when needed.
3. Click “Share Screen” if you need your Coach to see something on your computer.

Warnings:

• You should be dressed in attire expected in a classroom.
• Sharing your screen with graphic material is strictly prohibited.
• Failure to comply with these rules may result in suspended access to our services and possibly disciplinary action from the university.

Contact learningresources@udayton.edu for questions, comments, or concerns.
Configuring Your Zoom Audio

1. Mute your audio unless you need to speak.
2. Use the Chat feature to send messages to your Coach as they speak.
3. Ask your Coach if you can record the session.

Warnings:
• Use headphones to avoid distracting audio feedback.
• If possible, find a quiet place where you will not be interrupted.
• Sessions can only be recorded if both you and your Coach agree to be recorded.
