October Newsletter

Hello Faith Communities!

Happy Fall to you all! This monthly newsletter will serve as a place to stay up to date with events and programming amongst the houses, and as a way to get to know one another better!

Community Spotlight: 340 Stonemill

Living with my community this year has been nothing short of an ongoing adventure. The girls in this home love one another deeply, support each other genuinely and have the most fun you could imagine! Living in a faith-based house has been the biggest blessing of my college career because it brought me intentional friendship and true joy. Our faith is what binds us and allows us to form the community we long for. I love our mornings on the porch and our weekends spent in the sunshine all together. I love being in this community because I have seen the Lord's love through these women and it is so inspiring.

Embracing Father,
You grace each of us with equal measure in your love.
Let us learn to love our neighbors more deeply,
so that we can create
peaceful and just communities.
Inspire us to use our creative energies
to build the structures we need
to overcome the obstacles
of intolerance and indifference.
May Jesus provide us the example needed
and send the Spirit to warm our hearts for the journey.
Amen
