

APPLICATIONS FOR THE
2018-2019 YEAR ARE DUE

JANUARY 31, 2018

To be a NETWORK Associate, you don't need a political science degree, you don't have to be Catholic, and you don't have to be fresh out of college. You do need the skills and the passion – ignited by your work, your studies, or your life experience – for the demanding and rewarding work of social justice advocacy.

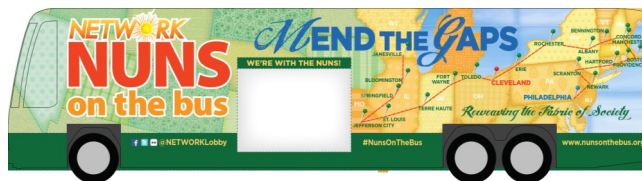

If this sounds like you, we would like to hear from you!
